ABOUT ME

As a passionate Full-Stack Developer, I bring a unique blend of creative problem-solving skills and an unwavering commitment to continuous learning. My proven track record in tackling complex challenges allows me to deliver innovative solutions that drive project success. I excel in collaborative environments, utilizing my strong communication and organizational abilities to deliver exceptional value and ensure that every project exceeds expectations.

WORK EXPERIENCE

Full Stack Developer, XYCLON, Buenos Aires
Nov 2021 - Present

I have experience collaborating with leading companies like Natura and Balanz. My expertise lies in web development frameworks like React.js and Laravel, and I'm skilled in managing SQL databases. Additionally, I leverage Vite technology to optimize build processes.

Web Development, FREELANCE
Oct 2021

• Engineered a high-traffic coach-oriented website to bolster advertising reach and enhance brand visibility using Node.js.

E-COMMERCE DEVELOPMENT: WINE SHOP, Digital House, La Plata
Mar 2021 - Nov 2021

Developed a responsive e-commerce web app using a mobile-first approach with HTML, CSS, and JavaScript. Built a Node.js backend with MVC architecture and a UML-designed database. Managed the project using Agile (Scrum), Git for version control, and MySQL.
